Life Begins As The Sun Rises.

The rising sun symbolizes one thing to me-Challenge. Each day the sun rose and brought me more obstacles to surpass and goals to strive for. My years at Edgewater were filled with deadlines, elections, football games, parties and plenty of studying.

The rising sun also has a mysterious quality about it, which I experienced with the mystery of meeting new friends and teachers.

Tomorrow's rising sun symbolizes the future, a reason to set new goals, to challenge new obstacles, to meet new friends, and a reason to live.-Greg Wason

There are special times and dreams in my life that have made me happier than anyone will ever know. Being and Edgewater Eagle has given me dreams, which have now become realities. My memories of E.H.S. are a big part of my life, but they are not my only ones. I could never have made it without the help of my teachers, best friends and my parents. They have helped to make my high school years the best ones of my life. My happiness will not stop once I leave Edgewater. I now feel strong enough to go on forever, as I will always have the memories in my mind.-ReNea McCuan

Eagles Sailed On At Prom 1980

The 1980 Junior-Senior Prom was held at the Ballroom of the Americas in the Contemporary Hotel at Walt Disney World. This very unique event took place on May 24, 1980, from eight o'clock to midnight. They selected "Sail On" as the theme of the Prom. This theme was carried out through the use of nautical decor, with the main colors of blue and gold representing the ocean and sun. The music was provided by "Brewed" and "Society". Every Eagle who "sailed" will always remember this very special evening.

A Taste Of That Good Ole' Traditional Spirit.

The spirit of E.H.S. can be labeled everything from unique, overflowing and colorful to crazy, fun, and original. Students demonstrated their spirit in a variety of ways. They devised skits for the pep rallies, decked out in red and white attire, bought spirit ribbons and competed for the spirit stick. To attend an Edgewater football game was to experience it all. There was always a large turnout of students, parents, and faculty rooting for the big red machine.

Edgewater's school spirit cannot be put into words. You would have to attend one of the games to see all the energy that comes from the student body.-Donna Roff

Have you ever thought of the saying, "You can't fire me, slaves have to be sold?" Having a job can bring on some problems, but it is worth it when you start doing and buying things independently. Here is how some of the Eagles solved their "money problem."

Parade Began Homecoming Festivities

The annual Edgewater Homecoming parade was held on October 22, 1980, at 3:00 p.m. This colorful parade started at Lake Adair, continued down Edgewater Drive, and ended at E.H.S. After a difficult decision, the judges awarded first place to Junior Civitan. The Eagle Eye captured the second place trophy and the Key Club was close behind with the third place honors. The other organizations that participated were: American Field Service, Art Club, Junior ROTC and Color Guard, Crew Team, Edgewater Band, Fellowship of Christian Athletes, Homecoming Attendants, Maitland Junior High School Band, Pep Club, Robert E. Lee Junior High School Band, Senior Class Officers, and Student Council. The parade was an excellent way to begin the Homecoming week festivities because it was a fun event that was enjoyed by all. Junior Civitan's president Beth McCully commented, "It was great getting to know people while building the Junior Civitan float and the parade was absolutely fantastic!"

Eagle Spirit Shows Through On Homecoming Week

Edgewater spirit definitely showed through on Homecoming Week, which took place on October 20 through October 24. Many exciting activities took place during Homecoming Week. To begin with, Monday was Inside-Out Day. The Eagles showed their spirit by wearing their clothes inside out. Wednesday, people decked out in their red and white clothes to celebrate Red and White Day. This was followed by Dallas Day. The Eagles turned into Cowboys and Cowgirls for the day. That evening people gathered at school for a down home Barbecue which was followed by the bonfire. These activities were sponsored by the Key Club. Finally, the week was climaxed with Toga Day, where everyone ripped the sheets off their beds and turned them into togas. The

Homecoming Week festivities were enjoyed by all who participated.

What was the best part of Homecoming Week for you?

"When my sister got Homecoming Queen!" Bessie Patterson (10)

"The pep rally was the best part of Homecoming week. Everyone had alot of spirit." Sarah Thompson (10)

"I think the best part of Homecoming was the Homecoming Dance" Rebecca Carrigan (11)

"My favorite Spirit Day was Toga Day because everyone was rowdy." Carol Dibble (10)

"In my opinion Toga Day was the best Spirit Day and was what I called different!" Gisele Sawaya (10)

The 1980 Homecoming dance was held at the University of Central Florida's Student Center on October 25th from eight o'clock to midnight. This semi-formal event was sponsored by the Student Council. The music was supplied by "Trama" and the theme that was selected was "We've got Tonight". The dance was definitely an appropriate ending to Homecoming week.

What does being chosen Homecoming Queen mean to you? Being chosen as Edgewater's Homecoming Queen was the greatest honor I have ever received. It is something that will remain special to me for as long as I live.-Sarah Patterson (12)

What does being chosen Homecoming King mean to you? Being chosen Homecoming King at Edgewater has got to be one of the best things that has ever happened to me. It means a lot to me knowing the student body would vote for me. I guess the best part of being chosen King was having the honor of escorting the Queen, Sarah Patterson.-Jon Mc Dade (12)

Suzette Duncan! "I've never won anything in my life" said senior Suzette Duncan after she was crowned Miss E.H.S. Eleven girls competed in the annual Miss E.H.S. pageant. Each was judged on personal interview, sportswear, talent, and evening gown. Talents included singing, dancing, playing of musical instruments, and even a twirling routine with a tennis racket, rifle, and baton. First runner up to Suzette was Cappy Doscher, and second runner up was Ashlie Coffie. Each girl received a trophy, flowers, and a charm. Suzette received a crown and banner in addition. The annual Miss E.H.S. pageant was held Saturday evening, December 13, at 8:00 P.M. in the Edgewater auditorium and was sponsored by the Jr. Civitan club, who did an excellent job in organizing the pageant. Edgewater High School is once again proud of all these fine girls who participated in this special event.

The pageant in general was well planned and very entertaining. The audience was very appreciative and seemed to enjoy it as much as we did!-Christi Turner

I got to see other girls talents and how talented they really are! It was also another great memory to add to my wonderful experiences at E.H.S.-Jaime Newman

I think the pageant was a great experience. It gave me a little more self confidence and character. Also it helped me to open up and feel more comfortable around others.-Alexis Newbury

The Senior year is usually the most exciting time in high school. This year has been no exception, for the Class of 1981 will have many memories that will stay with them forever. In addition to all of the activities that were enjoyed by every Eagle, there were many functions that were especially for Seniors. These activities included the Senior cruise to the Bahamas, the Senior picnic, Senior Week and Grad Nite '81 at Walt Disney World. The highlight was Baccalaureate, the graduation ceremony and the many celebrations and activities that revolved around graduation. Life is definitely made for Seniors!

Fashion to me means wearing the clothes that aren't your best friends style, but your own~Suzi Cranford

Fashion is the manner in which a majority of people dress and wear their hair. Fashion serves as a reflection of a way of living and as a prediction of trends in our life. To be "in style" implies conformity, but with individual variation in detail. The desire to conform is generally stronger than the desire to be obviously different.

E.H.S. is a great school. There is a lot of school spirit and I have met a lot of new people. I am proud to be in such a good class. Class of '8111-Lori Clark

I like the spirit of the students and teachers in all the extra-curricular activities. At football games everyone participates as a whole.-Mary French

A Place Where We Communicated . . .

The communication in Edgewater is good, with the student council putting up messages all over campus. If there's ever anything I don't know, I have no problem in finding it out.-Chris Walls

The communication between the teachers and the students is usually good, because the teachers are intelligent and want to help. As far as the student council goes, they communicate through announcements, but I think they should have a newsletter to keep us informed.-Gary Conder

Communication is the key to a good friendship.-Cindy Hodges

A Place Where We United . . .

... Strictly for prosperity; the hostages never made it to disney World. No difference, their captivity brought America closer together.-Greg Caine

Seeing all of the E.H.S. students uniting as one at football games was great! It made cheering a lot more fun.-Gail Guthrie

It was a neat feeling cheering at the pep rallies when everyone yelled for the Eagles, instead of their own classes. That really brought the school together.-Terry Salisbury

Putting together a yearbook is demanding, but everything worthwhile always is.

-Terry Salisbury

The 1980-81 Odasagiah staff, with the aid of sponsor Cecelia Luque, has been on the move all year putting together Edgewater's yearbook for all EHS students and faculty members. Though it wasn't all work and no play, the staff worked hard together to make the 1981 Odasagiah the best possible.

Being in yearbook has been a real experience for me. Sure, there's a lot of goofing around, but in the long run, this group is one of the most meaningful parts of my senior year.-Frank Way

Our work is tough, but seeing the finished product is so rewarding~Greg Wason

The 1980-81 Eagle Eye staff has worked long, hard hours all year to try to give Edgewater students an entertaining, informative and thought provoking newspaper that EHS could be proud of. The staff members' job is to participate in all phases of newspaper production, such as writing, editing and ad sales, much like large newspaper companies.

"We have worked very hard this year, but we did find time to have a lot of fun, too. We have become a close knit bunch and even through all the problems and arguments we stuck together. I love these staff members and I'll never forget them or the Eagle Eye"-Beth Tanke

Key Clubbers Do It As A Service-

John Easterling, President

The greatest thing about Key Club is not that it is the largest high school service organization in the World, with a membership of over 10,000, it is the fact that over 5000 teachers like Mrs. Price volunteer their time each year in support of Key Club- Frank Bonnewitz, Lt. Governor

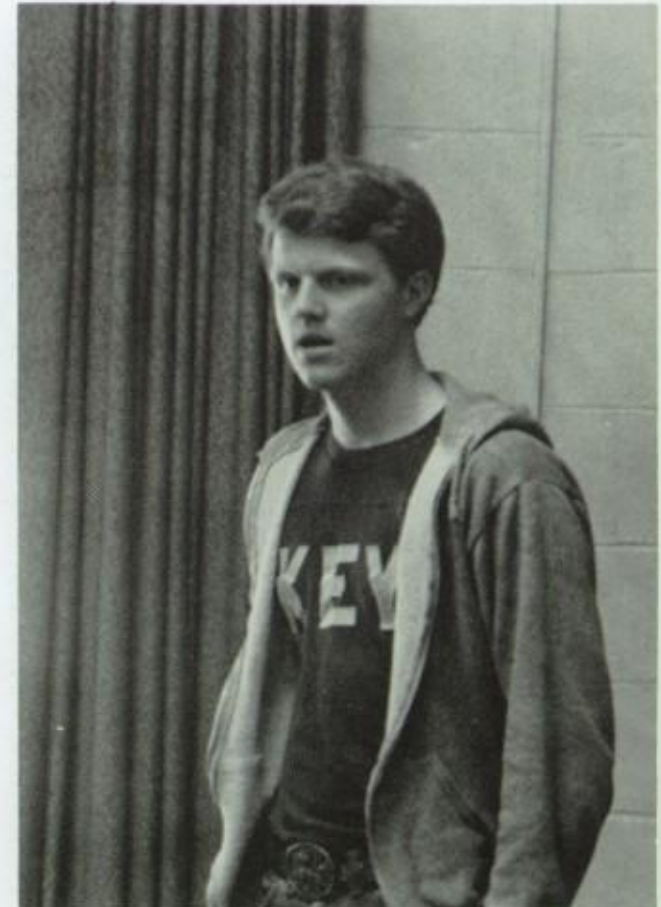

Key club held many Service Projects for the school and community this year. The major ones were: Sponsoring the Homecoming Bar-be-que and Bonfire; and holding a 25 hour Canoe-a-thon to raise money for Great Oaks Village, a childrens home. Over 20 Key Clubbers attended the Key Club District Convention this year. This Convention, the highlight of the Key Club year, was held in Daytona Beach for 3 nights and 4 days. Outstanding speakers and interesting seminars made the whole trip worth while.

A True Thespian Is Someone Who Has Excelled In Theater.

Members of International Thespian Troupe 557 carry on a heritage which goes back to the theatre of ancient Greece. The name *Thespian*, which means *actor*, honors Thespis, the first Greek actor. The society's emblem features the masks of comedy and tragedy. There will be two dramatic productions this year—a melodrama, *Dirty Work at the Crossroads*, in January and another, to be selected in March.

We've Got Spirit, Yes We Do,

Hard Work Pays Off

Here at E.H.S., cheerleading has always been the most important event in which I have participated.

Myself, along with the rest of the girls, have put many long, hard working hours into cheerleading but every moment will be a memorable one. We've had our ups and downs but we've always managed to pull through in the end.

One good thing about our squad was when we set goals that we wanted to reach we always ended up being #1. When we went to camp last summer, we wanted to come out being the most spirited squad and that's exactly what we did.-ReNea McCuan

Key To Success: Depth And Experience

Dedication and hardwork is a great part of playing baseball. Good things are bound to happen when we return nine players from last year. The seniors are Jimmy Haber, Todd Odom, Tom Reetz, and myself, along with juniors Rick Richardi, Glen Jaffe, Jeff Baker, Ed Connelly, and Ray Braswell. Each player respects one another and expects big things from each other. We do have new players who are full of enthusiasm. Edgewater baseball is built upon hard work, pride, and self discipline. We are more of a thinking team made up of hustlers not superstars. I feel that with Coach Bennett as our leader it will be hard to knock us off.-David Little

The Amazing 12

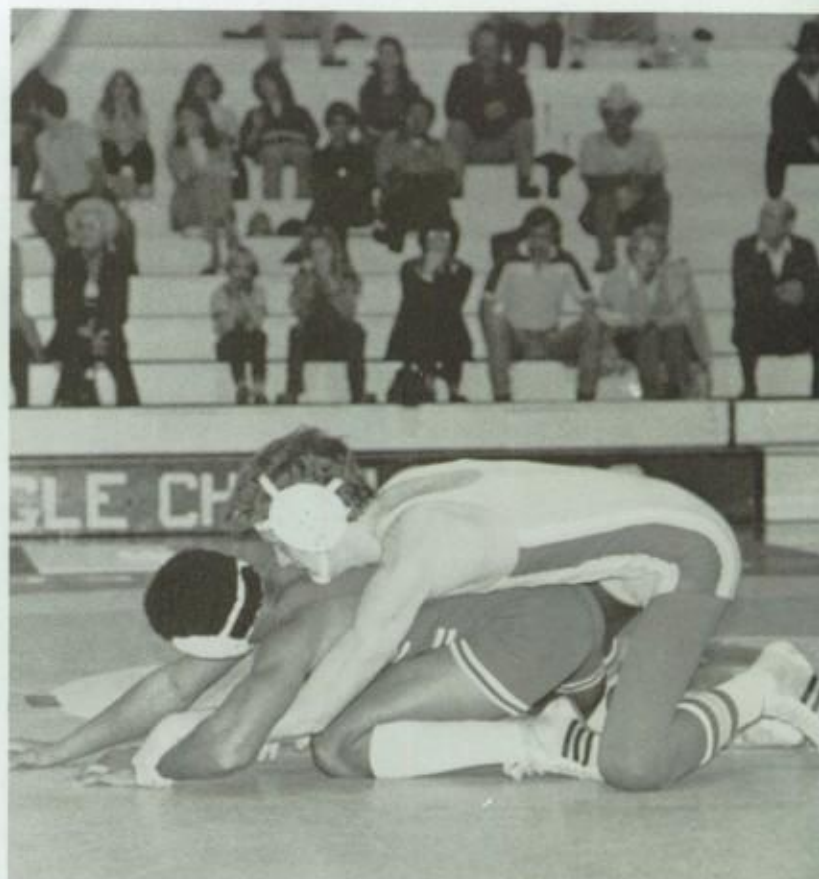

I think the Eagle wrestling team has a good chance for a winning season. Coach Brown has done a good job in training and conditioning such a young squad. The co-captains this year, Kevin Moses and Martain Walls, help the younger wrestlers in filling their total potential.

The Eagles went up North to wrestle, and in spite of very strong teams, we came out with a 3-1-0 record. Metro will be a good battle, but I think we can win it. Our goals this year are to have a good season, win metro, win districts, and to place in regions and state. - Doug Warner (Wrestler at Large)

Crew is a unique sport not many can relate to. You've had to experience it to understand it. The races are short and to few, the spectators are even less, and the bus rides are long. Rowing is something you do for inner satisfaction. As much a personal sport as crew is, it is also very team oriented. Everyone in the boat has a goal, to win, with everyone working together in the boat you can achieve that goal.

The past two years, we've been state champions and we're working hard to do the same this year.-Sibyl Strates

We had a great group of guys last year that really trained hard and put in a lot of extra time and effort, and this resulted in an undefeated regular season and a fifth place in the National Championship. This dedication is what produces the one-of-a-kind camaraderie that is unique to the sport of rowing. If we can get the very much needed leadership out of returning oarsmen and get a strong group of novice oarsmen, and then train hard and put in a lot of time, we could possibly have another fine season.-

Swimming has a different meaning to me each time I enter the water . . . swimming has filled my life with so many rewarding experiences. Not only do I have to face the battle of competition, but the battle of mental ability. Mental ability is a key word. It has to be there or . . . the win isn't. I want to win. Volleyball Team Wins Metro, District, And Regional Championships

I was very pleased with the stamina and progress of this year's volleyball team. Although losing to Clearwater in the Sectional tournament, I firmly believe that these girls have the talent and the determination to withstand any team in the state of Florida. Leading the team this year were captains, Letitia Myrick and Nancy Abbott. Juniors Tanya Collins, Zena McKenzie, Suzi Cranford, Jacque Fults, and sophomores Love Scott, Jackie Jefferson, Bonnie Moore, Tonja Filmore, and Tracy Burgess were instrumental in leading the team to all its victories.-Coach McCarty

... Going Out And Competing Makes You A Winner-

Sarah Patterson

One of the best ways to really get to know yourself is to participate and compete in athletics. The time that is put into training can be some of the loneliest one could ever have. The anticipation before the race and the relief that floods over you once it's over. These feelings, together with the happiness or disappointment that go along with the results, are what sports are all about. Of course not everyone can come out on top every time, but that's not what really matters.

We're Still The One!

As a team, we played a good game overall, but I felt that our defense is what really kept us in the game. At certain times I had my doubts about whether we would win or not, but nothing kept us down, not even the highly talented Oak Ridge team. The Oak Ridge coaches said that we couldn't do it . . . that we would win only two of our games all season. We wanted to beat Oak Ridge . . . we had to. So we went out and did the job. Because the coaches prepared us for the game, I felt that we were going to win. I feel we have the best coaching staff in the state. They helped us as much as we want to be helped. What more can you ask out of a coaching staff?-Greg Cleveland

Oak Ridge was our fourth game of the 1980-81 Varsity Football season. We were then 3-0, and I knew that Oak Ridge was one of our toughest games of the season. Oak Ridge's offense was quick and tough, but our defense was *awesome*. Our defensive squad is well talented and has good game experience and played a major part in our 13-5 victory. Oak Ridge has a strong and aggressive defense, our offense excuted well against them. Overall I felt that we are a *better* and well *disciplined* football team. I was feeling great, I was mentally prepared to play, we were ahead and I wanted to contribute more to the team.-Marcus Brown

The defense played an awesome game and held the highly talented Oak Ridge Pioneers to five points. Our all-new, rebuilt offensive unit began to come around in the second half scoring thirteen points, leading the Eagles to a 13-5 victory over the Pioneers. Overall, I felt the defense and offensive played a great game, boosting our club record 4-0.

While sipping on Gatorade I felt great, I was ready to play against Oak Ridge. The offensive unit was out on the field and they just scored another touchdown, and I was ready to go out and inflict more pain.-Robert McClain

J.V. Football Completes Best Season In 8 Years!

The West Orange Warriors were out first competitors of the 1980-81 Junior Varsity Football season. Everyone came into the game not knowing what to expect, but as the game progressed, we started to execute! The defense played a major part of our 32-0 victory over the Warriors. The offense came into the game making many mental mistakes, but after the first offensive score we started contributing to the team. On this particular play I was thinking ... Touchdown! But, because of the lack of team effort, the play was stopped by fine defensive strategy performed by the West Orange Warriors. In general, the team this year, played better than expected. Everyone practiced hard, maintained the will to win and did his share of hard hitting, punting, running and throwing throughout the J.V. Football season.-Kelvin Holiday

We started off well when the season began, but when we played conference games, we were not tough enough to come through. We learned much as a young team should, game in and game out. When we as a team contributed together we created better competition for the opposition. Overall we had a baffled season but a learning experience for the team, the coaches, all of us. A Combination Of Talent, Skill, And Thought- Veronica Moore

I believe we are capable of winning the State Championship. We've just got to keep our heads straight. Basketball is a combination of talent, skill, and thought. A lot of thinking goes into a basketball game, not only by the coach, but by each player as well. Captain Deenie Ware added, "I feel that most of our success derived from an experienced coach as well as talented players." Captains, Deenie Ware and myself, with the experience we've gained these past three years, led the team on as well as off the court.

We started off the season tying three out of our first four games. We could have had a better, overall record if it weren't for five ties and a few unnecessary losses. Pointing Out The Way

Faculty

Additions Volunteers Combine Their Talents To Increase Productivity

The Orange County Additions School Volunteer Program is alive and well at Edgewater. Eagle volunteers spend hundreds of hours in service both here and in other schools as well. This program is a multi-faceted one, and includes ten Edgewater seniors as well as parents, community members and students from Valencia Community College, Rollins College and University of Central Florida.

Under the direction of Mrs. Betty Hussey, mother of junior Jeff Hussey, the Edgewater volunteers portion of the additions spend countless hours in guidance, library, and choral department.

We have done quite well this year in working toward the Golden School Award. This is a quite difficult feat for a secondary school. In order to even be eligible, the school must have a total of volunteer hours equal to double the school enrollment. We feel that volunteers such as we have here at Edgewater may very well enable us to meet this goal-Betty Hussey.

As well as the Edgewater volunteers, E.H.S. is also assisted by volunteers such as those working with Mrs. Lentz, Mr. Williams, and Mr. Himes. Mrs. Lentz is also acting this year as the coordinator for the Additions Student Volunteers and works actively with the ten senior members of the class.

I Enjoy Working With The Friendly Students And Faculty Here At Edgewater - Mary Troke

Anna Lee Reynolds, a full-time volunteer at EHS for the past five years, assists in all facets of the choral department. The volunteer team of Bill Jarvis, teacher, and Anna Lee Reynolds, accompanist, took top honors last year in the Orange County Additions awards program.

It's hard to beat the quantity of service hours accumulated by Mrs. Reynolds and Mrs. Mary Troke, Library volunteer. Mary Troke, whose daughter is our own librarian, Mary Nurik, is a lover of books. She brings this love to the school library on the average of three days a week to work in any capacity in which she may be needed.

Anna Lee Reynolds, choral volunteer

The additions school student volunteers, directed this year by Mrs. Lentz, included Martha Dunn, Jacqueline English, Alicia Fuente, Lanette Gonder, Rebecca Jones, Jacqueline Leadore, Sheila McLaughlin, Jamie Newman, Deborah Paige, Tammy Quaglia, Traci Robison, Brenda Standaert, Patricia Stanley, Thomas Thompson, and Lisa Webman. These students served two to three hours per day in volunteer service in area elementary schools.

This is an excellent opportunity for these students to receive actual classroom experience before persuing a major in education-Mrs. Betty Hussey.

Mrs. Emily Baldrige, guidance counselor at Edgewater, works closely with the guidance additions. She has praised their contribution and stated that "we would find it hard to function without their help."

Guidance additions include, Peggy Altman, Winnie Benjamin, Ethna Bergstrom, Mary Ann Berry, Paulette Carter, Nancy Clark, Jane Davies, JoAnn Dyer, Sidney Easterling, Betty Fisher, Linda Goodwin, Jean Gilliland, Linda Hadley, Pug Johnston, Barbara Jones, Nancy Keepke, Ruth Layton, Polly Pugh, Ellen Roddy, Dotty Rudich, Judy Sanders, Ann Shader, Jody Steely, and JoAnn Theiss.

Mr. Lowell Boggs, assistant principal, coordinated the volunteers from the college and university level. This year he worked with Bryan Eichhorn, Eric Nissen and Chris Timmerman from Rollins College.

An Assembly Is A Big And Sometimes Thankless Job-C Luque.

Student Council bears the responsibility for planning and over seeing all assembly programs here at Edgewater. Mr. Ellis, working with student chairman Lori Bash, helped to streamline the assembly procedure this year, reducing planning time from two weeks to two days. The three assemblies this year included the Birmingham Southern College Choir, Mr. Jarvis' choral group's Christmas program, and the musicians from Disney. Without Mr. Ellis the musical programs we had this year couldn't have been possible-Greg Wason, student council president.

Teaching is sometimes underrated. Teachers are responsible for giving knowledge to children and young adults. This is a heavy load to bear, but seeing the results of your efforts makes the load a lot easier to carry.

The mission of the Marine Corps Junior Reserve Officer Training Corps program is to develop informed and responsible citizens, to strengthen character, to promote an understanding of the basic elements and requirements for the national security, to help form habits of self discipline, to develop respect for and an understanding of the need of constituted authority in a democratic society.

The future of our nation depends upon its leadership in all professions within all walks of life. The leaders of tomorrow must be fully aware of the importance of cooperative efforts and must possess the social and technical skills necessary to respond to our rapidly changing world.

It is because of the awareness of tomorrow's challenges that the Marine Corps Junior Reserve Officer Training Corps curriculum is directed toward leadership development.

To be a teacher means one never stops learning. It also means hard work and striving for goals. It means caring for students. There are better opportunities now, but with more choices comes the need for more decision making. Today's students need to be more prepared to make important decisions at an earlier age. - Cathy Johnson

Dear Edgewater Eagles:

The "Pride" of the Fighting Edgewater Eagles and the success of our school is due, in no small part, to the cooperation of past Eagles, the cooperation of the community, the students, the teachers, the parents, and other supportive persons within the school. We have encouraged and hope your involvement with the school and its many programs has helped you grow.

At Edgewater we strive to provide leadership and a climate in which each young person can develop his ability to think, to gather knowledge, to experience achievement, to learn to work with others and to gain a sense of selfworth.

GO EAGLES!

What Appears To Be The End May Really Be A New Beginning.

The end is coming near and it will soon be time to move on, but the memories of Edgewater will linger in my mind forever. There will be special memories of laughter, joy and tears, which will not be soon forgotten. I am leaving behind yesterday and looking towards tomorrow, for tomorrow is a new beginning. stated Tammy Lee

You Only Live Once, But If You Live Right Once Is Enough.

I have spent some of the happiest moments of my life here at Edgewater. I will treasure the faces, friends, and images for the rest of my life. While here at E.H.S. I have bettered myself for what lies beyond!-Teeney Guernsey.

**Good Friend, Good Times
Give Future Grads
Great Moments To Remember.**

As I reminisce over the past three years, I remember the pain, frustration, and confusion. All the homework, fights with friends, worries of tests, monotony of classes day in and day out. I can remember this because it was there, but those are not the things I feel in my heart. I can still feel the excitement of making an A on a test I was sure to fail, the security of a comforting hug from a caring friend, and the joy of having everything that's needed to be done, finished in time to do something I enjoy. I thank God that he makes it easy to forget all the trials and pains in high school, and makes it easy to remember all the special and joyful experiences in my life.-Ashlie Coffie

Fly Confidently In The Direction Of Your Dreams.

Here at E.H.S. I have learned to believe more in myself. I feel strong enough and confident enough to go after what I am in search of.-Linda Saunders.

Edgewater has given students the confidence and encouragement to follow every rainbow until they find their dream. For now, we stand here and prepare ourselves for what lies beyond, in time we will take flight and soar to our destinations.

Sunset In The Tropics

Now as the year slowly draws to an end, the students, faculty and Odasagiah staff watch the sunset over Edgewater High School. Together we have made 1980-81 a memorable year.

As editor of the Odasagiah, I would like to thank the co-editor, section editors, staff members, and photographers for all they have contributed. I also owe a special thanks to our advisor Mrs. Cece Luque for all her support. Without the help of these people, it would not have been possible.

We worked hard together to capture the smiles and laughter of the student body and faculty as we prepared an annual which we hope brings back good memories for all. I would like to give a special thanks to the student body, faculty and administration for their help in making the Odasagiah a successful one.

Whatever your future may be, new horizons will be opened to each and everyone of you. My prayer to you is that you reach out over the sunset and live your life your own way, reach for the goals which you have set for yourself, and be the you that you want to be ... That is what I call success!
